Winemaker Training at Fillocks

Fillocks Flat, Christmas 2011

My best mate at school Philip whose uncle is a wine maker says that you don't have to know anything about wine about for people to think your a super-cool wine expert.

He says all you have do is a proper spit. He was showing me but he says his uncle can do it much better. He says his uncle can go straight into a bucket from two metres away.

I tried but its really difficult so I went home to practice until Mum gave me a belt with the mop and chased me out of the kitchen.

My sister whose soooo clever thought it was really funny but she got heaps at the pub for doing that weird popping stuff so HA!
