We have produced high quality Cabernet and Shiraz for over 30 years (the last 10 years from Mosquito Creek vineyard), at Joanna, Wrattenbully Region in the South East of South Australia.

Cabernet Shiraz is the classic Australian blend made famous by Grange. This limited release combines the structure and elegance of Cabernet with the full bodied richness of Shiraz.

The hand-picked grapes from vines on the classic 'terra rossa over limestone soil', were aged in new and aged French Oak barrels for over 2 years.

A wine with excellent balance with complex, but elegant fruit flavours with a firm tannin finish. Will age well and develop with careful cellaring for up to ten years.
