### GRENACHE 2008

Region McLaren Vale, South Australia

Vineyard/Location Kangarilla

Alc/Vol 14.8%

Grape Variety 100% Grenache

Oak 2 years in aged French oak barrels

Released August 2010

Our first ever Grenache from a vineyard near Kangarilla in McLaren Vale.

The grapes – originally the classic variety of the Rhone Valley – come from very old dry grown bush vines in the cooler part of McLaren Vale.

They have given us a highly aromatic wine with ripe, intense fruit flavours – medium weight, a lighter style, but with depth and elegance.

Matured in aged French oak barrels for nearly two years, ready to drink now and will continue to develop significantly with proper cellaring for up to five years.

Drink now to 2015.
