## PINOT NOIR 2007

Region Geelong, Victoria

Vineyard/Location Moorabool Valley

Alc/Vol 12.5%

Grape Variety 100% Pinot Noir

Oak Aged over 12 months in new and aged French Oak

The 2007 Pinot Noir is the first wine we have produced from outside South Australia.

We have been able to source a small parcel of high quality fruit from an historic vineyard in the Moorabool Valley.

The original vineyard was planted in the 1850's; the modern vineyard providing the grapes for this wine was planted in the early 1990's. The Geelong Region now has a fine reputation for high quality Pinot Noir and this wine can stand with the best.

Matured in French Oak, the wine has strong, full bodied fruit flavours and developing smooth, elegant Pinot characteristics.

The wine will develop further with proper cellaring.

Drink now to 2015+
