## 2016 ROSÉ

<b>REGION</b>	McLaren Vale, South Australia
<b>LOCATION</b>	McLaren Vale
<b>ALC/VOL</b>	13.0%
<b>VARIETY</b>	85% Shiraz and 15% Grenache
<b>OAK</b>	Unoaked
<b>RELEASED</b>	August 2016

We have been producing Rosé from McLaren Vale for many years and we have come up with something different every year over the past eight vintages.

The 2011 Rosé was 100% Grenache from old bush vines with the 2012 and 2013 100% Shiraz from old vines. Last year and this year have been a blend of the two varieties, with this year's combination of Shiraz (85%) and Grenache (15%) again from old bush vines. So, more Shiraz base than previously.

High quality fruit from the 2016 vintage has again produced a fresh, clean Rosé, darker in colour than last year, and not quite as dry but with soft summer berry fruit flavours.

A wine to be enjoyed all year round, but particularly in the warmer summer months served chilled.

To be enjoyed on its own or with a wide range of foods.
