

KOPPAMURRA

tasting notes

ROSÉ 2009

Region McLaren Vale / Riverland, South Australia

Alc/Vol 13.5%

Grape Variety 60% Shiraz, 40% Grenache

Oak Unoaked

We have toyed with the idea of making a Rosé for some time, but for a range of reasons, including obtaining the right quality fruit, we have not done so.

But now, here it is – a well balanced dry Rosé.

In the past few years Australians have re-discovered well-made, quality Rosés, very much on the dry side – this is our contribution to the re-discovery of a wine style which has always been worth serious consideration.

A fresh, crisp wine with berry fruit flavours

Serve chilled with salads, seafood, cheeses, cold meat... or on its own...
a great summer drink.
