tasting notes

SAUVIGNON BLANC 2009

Region Adelaide Hills, South Australia

Vineyard/Location Norton Summit

Alc/Vol 12%

Grape Variety 100% Sauvignon Blanc

Oak Unoaked

Adelaide Hills has developed a growing and well deserved reputation for high quality, cool climate white wines, and in particular Sauvignon Blanc.

Our second Sauvignon Blanc from the Adelaide Hills.

A typically aromatic Adelaide Hills Sauvignon Blanc, the wine is a crisp, clean dry, (but not 'bone dry') wine with tropical fruit aromas and flavours with hints of citrus/lemon acidity and a clean finish.

The wine will develop nicely with some bottle age, further enhancing the fruit aromas and flavours.

Goes well with all seafoods, but drink it with whatever you fancy!
