

KOPPAMURRA

tasting notes

SHIRAZ 2004

Region Eden Valley, South Australia

Vineyard/Location Ann Atkinson, Eden Valley

Alc/Vol 14.5%

Grape Variety 100% Shiraz

Oak Aged over 12 months in aged French Oak

An interesting, peppery Shiraz, displaying all the mineral soil characteristics typical of Eden Valley reds.

Mature, semi-dryland vines with limited yield have given the wine fruit intensity and flavours. A 'toughish' wine when young, it has smoothed out and developed with bottle age, is excellent drinking now and has the scope to develop further in the future with proper cellaring.

Extremely good value.

Drink now to 2015, probably longer.
