TASTING NOTES:

The 2007 Pinot Noir is the first wine we have produced from outside South Australia.

We have been able to source a small parcel of high quality fruit from an historic vineyard in the Moorabool Valley in the Geelong Region.

The original vineyard was planted in the 1850's with the modern vineyard providing the grapes for this wine being planted some ten years ago. The Geelong Region has developed a fine, and growing reputation as a cool climate region producing high quality Pinot Noir.

Matured in French Oak, the wine has strong, full bodied fruit flavours and developing smooth, elegant Pinot characteristics.

The wine will develop further with bottle age and proper cellaring.
