TASTING NOTES:

The Cabernet Merlot blend is a wine we produced with great success over a couple of decades, but one we have not made for some time for a number of reasons. But now, the flagship is back!!

The blend Cabernet Sauvignon (60%) and Merlot (40%) has also long been the classic traditional blend for the wines of Bordeaux.

The cabernet is sourced from our long time companion vineyard at Joanna, (next door to our original vineyard), on the classic terra rossa-over-limestone soil. The Merlot – an excellent one, with lovely soft fruit from a high class vineyard at Mt Benson, has blended beautifully with the Cabernet, softening the tannins.

This wine will drink well early on, but will also develop significantly with careful and patient cellaring. The cabernet has spent over 20 months in new and aged French Oak and the Merlot 6 months in aged oak. The cabernet has the complex berry flavours and the peppery “earthy” characters typical of the region whilst the Merlot has added more delicate, softer fruit flavours.
