TASTING NOTES:

Our new cabernet release, the 2006 Cabernet Sauvignon Wrattenbully, is the first cabernet and second wine, (following the 2005 Shiraz), from our new source vineyard at Joanna (South East of South Australia).

The wine was bottled in early March 2008 for release at our Melbourne tasting on 2nd May. We believe this wine will continue in the tradition of classic high quality, elegant cabernets we have produced over many years.

Grapes from the vineyard, on the famous terra-rossa over limestone soil were cool fermented with minimum filtration to ensure a full flavoured wine. With over 20 months in new and aged French Oak, the wine is well balanced with fine tannins and full fruit flavours.

Recommended-Koppamurra 2006 Cabernet Sauvignon.

“ Lovely fresh, lifted cabernet with violets on the nose and blackberries on the palate, and all cloaked in oak”

Whilst suitable for early drinking, it will develop further with bottle age and patient cellaring for at least 5 years.
